

The Australian owned and designed* Trueheat RC Series of Gas Cooking Equipment has been developed for the restaurant and cafe market with a high quality finish, designed to fulfill the busy demands within a commercial kitchen.

Powerful 24MJ/hr open burners with individual standing pilots included. 100% Flame failure controls included as standard. Matt finish premium light cast iron trivets radiant heat and design makes it easy to move pots around the surface.

16mm thick steel griddle plate with 16.5MJ/hr burner per 300mm section.

Static oven with two oven racks fit to removable vertical rack guides which provide 3 rack heights. Oven racks are fabricated from 304 stainless steel. Interior oven panels are coated with black vitreous enamel for ease of cleaning.

Note: Griddle convertible to left hand side. Additional charges apply.
