- Unit can be placed against the wall

### Description

Stainless Steel Interior & Exterior Three Door

The (GN3100TN) is an impressive three-door stainless steel workbench fridge that 's able to withhold up to 464.6 litres with dimensions set at 1795x700x850mm.

This series is noteworthy in providing ample interior storage space for stock and prep food/ingredients with a chilled interior for long-term preservation or a place to store your tools. It 's also great as a staple workbench in conducting regular kitchen work.

This underbench fridges is made entirely of stainless steel within both the interior and exterior, powerful compressors for functionality, auto defrost, efficient self-closing doors and Italian digital controls.
