STANDARD FEATURES

› **GlassMax** minimalist canopy (more glass/less frame) that maximises the visibility of displayed food from all angles

› Stainless steel top

› **MiniTek** compact refrigeration technology built into base of cabinet. No bench cut-outs or condenser installation required and cabinet is freely moveable across benches, between benches and to new locations

› Three food display levels: two shelves plus bottom trays

› Chrome wire shelving system that is height adjustable in 25mm increments and interchangeable between horizontal and tilted positions

› **CrumbCatch** feature in bottom trays that collects falling crumbs and food

› High quality European and Japanese refrigeration components

› Fan forced air flow for even temperature distribution

› **ClearView** front glass for condensation control

› Refrigeration optimised to provide a high humidity environment that maintains food quality for longer

› **DuraCoat** system providing a protective coating over the refrigeration coil to prevent food acid corrosion

› **SureVap** self-evaporating system for condensate—no drain required

› **SlimLED** under-shelf LED strip lighting with 12V safety

› Rear sliding double-glazed doors on friction-free, low wear tracks (doors removable for cleaning)
